### **DETAILED ACTION**

1. Receipt of applicant's election of Group I (claims 1-4) filed January 02, 2007 is acknowledged. Therefore claims 1-4 are being currently examined upon their merits. The applicants amendments and remarks filed September 04, 2006 are again also acknowledged.

### ***Response to Arguments***

2. Applicant's arguments with respect to claims 1-4 have been considered but are moot in view of the new ground(s) of rejection.

### ***Information Disclosure Statement***

3. The information disclosure statement (IDS) submitted on 10/22/2004 is in compliance with the provisions of 37 CFR 1.97. Accordingly, the information disclosure statement is being considered by the examiner.

### ***Claim Rejections - 35 USC § 112***

4. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

5. Claims 1-4 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. The new claim language cites a "wherein" clause that does not limit the scope of claim 1 because it seems to only suggest or make optional that the buyer's name, credit card number social security number *or* bank account *or* financial information is not recorded *or* revealed [see MPEP 2106 and 2111.04].

Art Unit: 3693

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

6. Claims 1-4 are rejected under 35 U.S.C. 102(b) as being anticipated by Renner (WO 97/10560).

As per claim 1:

--a buyer purchasing a prepaid account of a stipulated amount from an account vendor wherein the buyer's name, credit card number, social security number or bank account or financial information is not recorded or revealed (see pg. 5, lines 15-27; pg. 7, lines 26-28; and pg. 9, lines 8-18).

--the buyer receiving an account identifier from the account vendor (see pg. 8, lines 20-26; pg. 10, lines 3-16);

--the buyer selecting good and services for purchase from an seller (see page 10, lines 17+);

--the buyer receiving a tangible account card from the account vendor recording at least the account identifier and the amount of the account (see pg. 10, lines 3-16).
